B. The members of the Board have been duly elected or appointed and qualified.

C. The District currently owns and operates a water system and a wastewater system (together, the “System” as further described above) for the benefit of the residents and customers of the District.

D. By resolutions of the Board previously adopted on November 9, 1994, the Board has determined that its water system and its wastewater system each constitutes an enterprise pursuant to Article X, Section 20 of the Colorado Constitution (“TABOR”) and Title 37, Article 45.1, C.R.S. (the “Water Enterprise Act”).

E. The District is authorized by Article X, Section 20 of the Colorado Constitution, Section 32-1-1101(1)(d) of the Act, and the Water Enterprise Act and Part 4 of Article 35 of Title 31, C.R.S., to issue revenue bonds authorized by action of the Board without the approval of the electors of the District, such bonds to be issued in the manner provided in Part 4 of Article 35 of Title 31, C.R.S.

F. Pursuant to Article X, Section 20 of the Colorado Constitution and Article 45.1 of Title 37, C.R.S., the Bond may be issued without voter approval since the System constitutes an enterprise within the meaning of Article X, Section 20 of the Colorado Constitution.

G. Section 32-1-1001(1)(j), C.R.S., authorizes the District to establish fees, rates and charges for services, programs, or facilities furnished by the District and to pledge such revenue for payment of obligations of the District.

H. The Board has determined and hereby determines that it is necessary and in the best interest of the District to extend, better, and otherwise improve and equip the System and to issue revenue bonds of the System in order to effect the Improvement Project.

I. The District has heretofore issued the 2012 Bonds payable from and secured by a lien on its Net Pledged Revenues.

J. The District is not delinquent in the payment of any of the principal or interest on the 2012 Bonds.

K. L. The 2012 Bonds maturing on and after December 1, 2021 are subject to redemption prior to maturity, at the option of the District, on December 1, 2019 or on any date thereafter, at a redemption price equal to the principal amount so redeemed plus accrued interest to the redemption date without a redemption premium.

M. The Board has determined, and does hereby determine, that the interest of the District and the public interest and necessity require the refunding of the 2012 Bonds and providing for certain improvements of the District by issuing its "Colorado City Metropolitan District (in Pueblo County, Colorado) Water and Wastewater Enterprise Revenue Refunding and Improvement Bond, Series 2020" in an aggregate principal amount not to exceed \$3,560,000 (the "Bond") for the purpose of effecting the Refunding Project and the Improvement Project and for paying the Costs of Issuance in connection therewith.

N. A proposal for the purchase of the Bond has been submitted to the Board by the Bank of the San Juans, as Purchaser, and the Board has determined and hereby determines to accept the terms of such proposal.

O. The Bond is exempt from registration under the Colorado Municipal Bond Supervision Act pursuant to Section 11-59-110(1)(b), C.R.S. (an issue of bonds not involving a public offering made exclusively to "accredited investors" as defined under Regulation D promulgated by the federal Securities and Exchange Commission), and the Board shall cause the appropriate filing to be made under Section 11-59-110(2), C.R.S. in order to make such exemption applicable.

P. The Purchaser is (a) an "accredited investor," as defined in Rule 501(A)(1), (2), (3), or (7) of Regulation D promulgated under the Securities Act of 1933, as amended or (b) a "qualified institutional buyer," as defined in Rule 144A promulgated under the Securities Act of 1933, as amended.

Q. The District has previously executed and delivered the Senior Obligations, secured by a pledge of the Net Pledged Revenues of the System.

R. Except for the Senior Obligations and the Refunded Bonds, the District has not pledged nor in any way hypothecated revenues derived and to be derived directly or indirectly from the operation of the System to the payment of any securities or for any other purpose (excluding securities which have heretofore been redeemed in full, as to all principal, premium, if any, and interest, or are otherwise not outstanding) and with the result that the Net Pledged Revenues may now be pledged lawfully and irrevocably for the payment of the Bond subordinate to the Senior Obligations, and the Bond may be made payable from the Net Pledged Revenues.

S. Pursuant to Section 11-57-205, C.R.S., as amended, the District desires to delegate to any of the members of the Board and the District Manager the independent power to accept a proposal to purchase the Bond and to determine the rates of interest on the Bond, the redemption provisions of the Bond, the price at which the Bond will be sold, the aggregate principal amount of the Bond to be issued and the amount of principal maturing, or subject to mandatory redemption, in any particular year.

T. The Board has determined and does hereby declare:

i. In order to meet the present and future needs of the District and effect a saving on debt service obligations, it is necessary to issue the Bond in order to exercise the District's option to call for prior redemption and redeem the Refunded Bonds;

ii. The proceeds of the Bond shall be used to undertake the Refunding Project and the Improvement Project and to pay the Costs of Issuance in connection therewith;

iii. Net Pledged Revenues shall be pledged to the payment of the Bond, creating an irrevocable lien on the Net Pledged Revenues subordinate to the lien on the Net Pledged Revenues created by the Senior Obligations; and

iv. All action preliminary to the authorization of the issuance of the Bond has been taken.

X. It is necessary to provide for the form of the Bond, the Bond details, the payment of the Bond, and other provisions relating to the authorization, issuance, and sale of the Bond.

Section 103. Parties Interested Herein. Nothing herein expressed or implied confers any right, remedy or claim upon any Person, other than the District, the Board, the Owner of the Bond, and the owners of any Parity Bonds or other securities payable from the Net Pledged Revenues when reference is expressly made thereto. All the covenants, stipulations, promises, and agreements herein contained by and on behalf of the District shall be for the sole and exclusive benefit of the District, the Board, the Owner of the Bond, and the owners of any such other securities in the event of such a reference. **Ratification; Approval of Documents.** All action heretofore taken (not inconsistent with the provisions of this Resolution) by the Board and the officers of the District, and otherwise taken by the District directed toward the Project and the sale and delivery of the Bond for such purposes, be, and the same hereby is, ratified, approved, and confirmed.

Section 105. Repealer. All bylaws, orders, resolutions, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any such bylaw, order, or resolution, or part thereof, heretofore repealed. All rules of the Board, if any, which might prevent the final passage and adoption of this Resolution at this meeting of the Board will be, and the same hereby are, suspended.

Section 106. Severability. If any section, subsection, paragraph, clause or other provision of this Resolution is invalid or unenforceable for any reason, the invalidity or unenforceability of such section, subsection, paragraph, clause, or other provision shall not affect any of the remaining provisions of this Resolution.

Section 107. Resolution Irrepealable. After the Bond is issued, this Resolution shall constitute an irrevocable contract between the District and the Owner of the Bond and this Resolution shall be and shall remain irrepealable until the Bond, as to all Bond Requirements, shall be fully paid, canceled, and discharged, except as herein otherwise provided.

Section 108. Conclusive Recitals. Pursuant to Section 11-57-210 of the Supplemental Public Securities Act, the Bond shall contain a recital that it is issued pursuant to the Supplemental Public Securities Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bond after its delivery for value. In addition, pursuant to Section 31-35-413, C.R.S., the Bond shall contain a recital that it is issued pursuant to Title 31, Article 35, Part 4, C.R.S. Such recital shall conclusively impart full compliance with all the provisions of such statute, and the Bond issued and containing such recital shall be incontestable for any cause whatsoever after its delivery for value.

Section 109. Limitation of Actions. Pursuant to Section 11-57-212 of the Supplemental Public Securities Act, no legal or equitable action brought with respect to any legislative acts or proceedings of the District in connection with the authorization or issuance of the Bond, including but not limited to the adoption of this Resolution, shall be commenced more than thirty days after the authorization of the Bond.

ARTICLE II

APPROVAL OF RELATED DOCUMENTS; AND ELECTION TO
APPLY SUPPLEMENTAL PUBLIC SECURITIES ACT TO THE BOND**

Section 201. Authorization. The Bond is issued in accordance with the Constitution and laws of the State and the provisions of this Resolution, specifically the Supplemental Public Securities Act; Title 32, Article 1, C.R.S.; Title 31, Article 35, Part 4, C.R.S.; Title 37, Article 45.1, C.R.S.; and all other laws of the State thereunto enabling. Section 202. Bonds Equally Secured. The covenants and agreements herein set forth to be performed on behalf of the District shall be for the equal benefit, protection, and security of the Owner of the Bond and the owners of any Parity Bonds hereafter authorized and issued, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of such securities over any other thereof,

except as otherwise expressly provided in or pursuant to this Resolution; provided that the Bond and any Parity Bonds are subordinate and junior to the Senior Obligations.

Section 203. Special Obligations. All of the Bond Requirements of the Bond shall be payable and collectible solely out of the Net Pledged Revenues, which revenues are so pledged; the Owner of the Bond may not look to any general or other fund for the payment of such Bond Requirements, except the herein designated special funds pledged therefor; the Bond shall not constitute an indebtedness or a debt within the meaning of any constitutional, or statutory provision or limitation; and the Bond shall not be considered or held to be a general obligation of the District but shall constitute a special obligation of the District. No statutory or constitutional provision enacted after the issuance of the Bond shall in any manner be construed as limiting or impairing the obligation of the District to comply with the provisions of this Resolution or to pay the Bond Requirements of the Bond as herein provided.

Section 204. Character of Agreement. None of the covenants, agreements, representations, and warranties contained herein or in the Bond shall ever impose or shall be construed as imposing any liability, obligation, or charge against the District (except the special funds pledged therefor), or against its general credit, or as payable out of its general fund or out of any funds derived from taxation or out of any other revenue source (other than those pledged therefor).

Section 205. No Pledge of Property. The payment of the Bond is not secured by an encumbrance, mortgage, or other pledge of property of the District, except for the Net Pledged Revenues and other moneys pledged for the payment of the Bond Requirements of the Bond. No property of the District, subject to such exception, shall be liable to be forfeited or taken in payment of the Bond.

Section 206. No Recourse Against Officers and Agents. No recourse shall be had for the payment of the Bond Requirements of the Bond or for any claim based thereon or otherwise upon this Resolution or any other resolution pertaining hereto, against any individual member of the Board or any officer, employee, or other agent of the District, past, present, or future, either directly or indirectly through the Board, or the District, or otherwise, whether by virtue of any penalty or otherwise, all such liability, if any, being by the acceptance of the Bond and as part of the consideration of its issuance specially waived and released.

Section 207. Authorization of the Project. The Board, on behalf of the District, does hereby determine to undertake the Project, which is hereby authorized, and the proceeds of the Bond shall be used therefor.

Section 208. Enterprise Status. The Board, on behalf of the District, hereby confirms its determination that the System shall be operated by the Water Enterprise and the Wastewater Enterprise as “enterprises” for the purposes of Article X, Section 20 of the State Constitution and Title 37 Article 45.1, C.R.S. In particular, the Water Enterprise and the Wastewater Enterprise shall be government-owned businesses owned by the Colorado City Metropolitan District and the Water Enterprise and the Wastewater Enterprise shall have the

power to issue revenue bonds in the manner and payable from the sources set forth in this Resolution.

Section 209. Sale of the Bond. The Bond shall be sold to the Purchaser. Pursuant to the Supplemental Public Securities Act, the Board hereby delegates to the Chairperson, the Vice Chairperson, or the District Manager the authority to execute the proposal submitted by the Purchaser.

Section 210. District to Act as Registrar and Paying Agent. The Paying Agent and Bond Registrar initially shall be the Finance Director. In the event that the Board determines to replace the Finance Director as Paying Agent and Bond Registrar, the District shall appoint a successor as soon thereafter as may be practicable, and in such event, shall give written notice thereof to the Owner of the Bond by mailing to the addresses shown on the registration books for the Bond. Any successor Paying Agent shall:

- (a) be a trust company or bank in good standing located in or incorporated under the laws of the State of Colorado;
- (b) be duly authorized to exercise trust powers;
- (c) be subject to examination by a federal or state authority; and
- (d) maintain a reported capital and surplus of not less than \$10,000,000.

The Finance Director or any future Paying Agent and Bond Registrar shall remain in place until a successor is appointed and accepts such appointment.

Section 211. Election to Apply Supplemental Public Securities Act to the Bond. Pursuant to Section 11-57-204 of the Supplemental Public Securities Act, a public entity, including the District, may elect in an act of issuance to apply all or any of the provisions of the Supplemental Public Securities Act. The Board hereby elects to apply all of the provisions of the Supplemental Public Securities Act to the Bond. Pursuant to Section 11-57-205 of the Supplemental Public Securities Act, the Board hereby delegates to Chairperson, the Vice Chairperson, or the District Manager the authority to make the following determinations with respect to the Bond, subject to the parameters and restrictions contained in this Resolution, without any requirement that the Board approve such determinations:

- (i) **Interest Rate.** The net effective rate of interest to be borne by the Bond shall not exceed 4.0% per annum.
- (ii) **Redemption Provisions.** The Bond shall be subject to optional redemption not earlier than February 19, 2030, at a redemption price not to exceed 100%.

(vi) Term of the Bond. The Bond shall not mature later than December 1, 2040.

Such determinations shall be evidenced by the Sale Certificate signed by the Chairperson, the Vice Chairperson, or the District Manager and dated on or before the Closing Date, which shall not be more than one year from the date of adoption of this Resolution.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND ISSUANCE OF BONDS

Section 301. Bond Details.

A. The Bond shall be issued in fully registered form (i.e., registered as to payment of both principal and interest) initially registered in the name of the Bank of the San Juans, a division of Glacier Bank, as Purchaser of the Bond. The Bond shall be dated as of its date of delivery. The Bond shall be numbered in the manner determined by the Bond Registrar.

B. The Bond shall mature on the date specified in the Sale Certificate, and bear interest at the rate set forth in the Sale Certificate (computed on the basis of a 360-day year of twelve 30-day months) payable to the Owner of the Bond on each Payment Date. The Bond shall be subject to mandatory sinking fund redemption as set forth in the form of the Bond attached hereto as Exhibit A.

C. Payment of interest on the Bond shall be made to the Owner of the Bond by check, draft or wire, sent by the Paying Agent, on or before each Payment Date (or, if such Payment Date is not a business day, on or before the next succeeding business day), to the Owner of the Bond at his or her address as it last appears on the registration books kept by the Bond Registrar on the Record Date. Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date and the date fixed for payment of such defaulted interest shall be fixed by the Bond Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered Owner not less than ten days prior to the Special Record Date by first-class mail or via electronic means on a date selected by the Bond Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest.

This section shall not limit the remedies of the Owner set forth in Article X with respect to defaulted interest.

D. The Paying Agent may make payments of interest on the Bond by such alternative means as may be mutually agreed to between the Owner of the Bond and the Paying Agent. All such payments shall be made in lawful money of the United States of America, without deduction for services of the Bond Registrar or Paying Agent.

Section 302. Prior Redemption. The Bond will be subject to redemption at the option of the District from any legally available funds subject to the terms set forth in the Sale Certificate.

Section 303. Execution of Bond. The Bond shall be executed in the name of the District by the manual signature of the Chairperson or, in the absence of the Chairperson, the Vice Chairperson, shall be sealed with the corporate seal of the District, and shall be attested by the manual signature of the Secretary or Assistant Secretary. The Bond may be signed, sealed, or attested on behalf of the District by any person who, at the date of such act, shall hold the proper office, notwithstanding that at the date of authentication, issuance, or delivery, such person may have ceased to hold such office.

Section 304. Authentication Certificate. The authentication certificate upon the Bond shall be substantially in the form and tenor provided in the form of the Bond attached to this Resolution as **Exhibit A.** The Bond shall not be secured hereby or entitled to the benefit hereof, nor shall the Bond be valid or obligatory for any purpose, unless the certificate of authentication, substantially in such form, has been duly executed by the Paying Agent and such certificate of the Paying Agent upon the Bond shall be conclusive evidence that the Bond has been authenticated and delivered hereunder. The certificate of authentication shall be deemed to have been duly executed by the Paying Agent if manually signed by the Paying Agent or an authorized officer or employee of the Paying Agent.

Section 305. Registration and Payment. The Paying Agent shall keep or cause to be kept sufficient records for the registration and transfer of the Bond, which shall at all times be open to inspection by the District. Upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, the Bond as herein provided. Except as provided in Section 306 hereof, the Person in whose name any Bond shall be registered on the registration records kept by the Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment of the Bond Requirements thereof and for all other purposes; and payment of or on account of the Bond Requirements of the Bond shall be made only to the Owner thereof or his or her legal representative, but such registration may be changed upon transfer of the Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon the Bond to the extent of the sum or sums so paid. The foregoing provisions of this Section are subject to the provisions of Section 306 hereof.

Section 306. Transfer and Exchange. Books for the registration and transfer of the Bond shall be kept by the Bond Registrar. Upon the surrender for transfer of the Bond at the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner or its attorney duly authorized in writing, the Bond Registrar shall authenticate and deliver in the name of the transferee a new bond, of a like aggregate principal amount and of the same maturity, bearing a number not previously assigned. The Bond may be exchanged at the principal office for the equal aggregate principal amount of the Bond then outstanding. The Bond Registrar shall authenticate and deliver the Bond which the Owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. The Bond Registrar may impose reasonable charges and require indemnification in connection with exchanges or transfers of the Bond, which charges (as well as any tax or other governmental charge required to be paid with respect to such transfer) shall be paid by the Owner of the Bond requesting such exchange or transfer.

The Bond Registrar shall not be required (1) to transfer or exchange the Bond subject to prior redemption during the period beginning at the opening of business 15 days next preceding the mailing of notice calling the Bond for prior redemption as herein provided or (2) to transfer or exchange the Bond after the mailing of notice calling the Bond for prior redemption.

The person in whose name the Bond shall be registered, on the registration books kept by the Bond Registrar, shall be deemed and regarded as the absolute registered Owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of interest to the registered Owner of the Bond as is provided in Section 1303 hereof; and payment of or on account of either principal or interest on the Bond shall be made only to or upon the written order of the registered Owner thereof or its legal representative, but such registration may be changed upon transfer of the Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon the Bond to the extent of the sum or sums so paid.

If the Bond shall be lost, stolen, destroyed, or mutilated, the Bond Registrar shall, upon receipt of such evidence, information, or indemnity relating thereto as it may reasonably require, authenticate, and deliver a replacement Bond of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed, or mutilated Bond shall have matured or is about to become due and payable, the Bond Registrar may direct the Paying Agent to pay the Bond in lieu of replacement.

The officers of the District are authorized to deliver to the Bond Registrar fully executed but unauthenticated bonds in such quantities as may be convenient to be held in custody by the Bond Registrar pending use as herein provided.

Whenever a Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Bond Registrar for transfer, exchange, or replacement as provided herein, a Bond shall be promptly cancelled by the Paying Agent or Bond Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Bond Registrar to the District.

The Purchaser may assign the Bond without the approval of the District, provided that notice of such assignment is given to the District.

Section 307. Bond Form. Subject to the provisions of this Resolution, the Bond shall be in substantially the form attached hereto as **Exhibit A**, with such omissions, insertions, endorsements, and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Resolution, be consistent with this Resolution or be necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.

ARTICLE IV

REDEMPTION

Section 401. Partial Redemption. A portion of the Bond (\$5,000 or any integral multiple thereof) may be redeemed under the terms set forth in the Sale Certificate, in which case the Paying Agent shall, without charge to the Owner of the Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof.

Section 402. Notice of Prior Redemption. Notice of optional or mandatory redemption shall be given by the Paying Agent in the name of the District by sending a copy of such notice by first-class, postage prepaid mail or via electronic means not more than sixty nor less than thirty days prior to the Redemption Date to the Owner at his address as it last appears on the registration books kept by the Paying Agent; but neither failure to give such notice nor any defect therein shall affect the redemption of the Bond. Such notice shall state that on such Redemption Date there will become and be due and payable upon the Bond, at the principal office of the Paying Agent, the principal amount thereof, accrued interest to the Redemption Date, and the stipulated premium, if any, and that from and after such date interest will cease to accrue. Notice having been given in the manner hereinabove provided, the Bond shall become due and payable on the Redemption Date so designated; and upon presentation thereof at the principal office of the Paying Agent, the Paying Agent will pay the Bond. No further interest shall accrue on the principal of any such Bond called for redemption from and after the Redemption Date, provided sufficient funds are deposited with the Paying Agent and available on the Redemption Date.

Notwithstanding the provisions of this Section, any notice of redemption shall either (a) contain a statement that the redemption is conditioned upon the receipt by the Paying Agent on or before the Redemption Date of funds sufficient to pay the redemption price of the Bond, and that if such funds are not available, such redemption shall be canceled by written notice to the Owner of the Bond in the same manner as the original redemption notice was mailed, or (b) be given only if funds sufficient to pay the redemption price of the Bond are on deposit with the Paying Agent in the applicable fund or account.

Section 403. Bonds Owned by the District. Bonds owned by or on behalf of the District shall not be subject to redemption. At any time the District may surrender any bonds owned by or on behalf of the District to the Paying Agent, which shall promptly cancel such bonds.

ARTICLE V

USE OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Disposition of Bond Proceeds. The proceeds of the Bond (including any original issue premium but net of underwriting and any original issue discount), upon the receipt thereof, shall be accounted for in the following manner and priority:

A. **Payment of the Refunded Bond Requirements.** Proceeds in an amount sufficient to effect the Refunding Project shall be deposited with UMB Bank, n.a., as paying agent for the Refunded Bonds.

B. **Reserve Fund.** An amount equal to the Reserve Fund Requirement for the Bond as described in the Sale Certificate shall be credited to the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue Refunding and Improvement Bond, Series 2020, Reserve Fund.”

C. **Cost of Issuance Account.** A portion of the proceeds derived from the sale of the Bond shall be deposited to the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue Refunding and Improvement Bond, Series 2020, Cost of Issuance Account.”

D. **Acquisition Fund.** The remaining proceeds derived from the sale of the Bond shall be credited to the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue Refunding and Improvement Bond, Series 2020, Acquisition Fund” and used to pay the Improvement Project, if part of the Project.

After the completion of the Project, or after adequate provision is made therefore, any unexpended balance of Bond proceeds shall be deposited as provided in Section 503.

Section 502. Payment of Expenses. Moneys deposited in the Acquisition Fund pursuant to Section 501 may be used and paid out by the District to defray the Costs of the Improvement Project. Moneys deposited in the Cost of Issuance Account pursuant to Section 501 hereof may be used and paid out by the District to defray the Costs of Issuance, including, without limitation, amounts to be paid to the Paying Agent, legal fees, accounting fees, and financial advisory fees. The District shall provide to the Owner all documentation necessary to substantiate expenditures of the moneys in the Acquisition Fund.

Section 503. Completion of Improvement Project. When the Improvement Project is completed in accordance with the relevant plans and specifications and all amounts due therefor, including all proper incidental expenses and all administrative costs of the Improvement Project referred to in Section 502 hereof, are paid, or for which full provision is made, the District Manager, to the extent permitted by the Tax Compliance Certificate, shall cause all surplus moneys remaining in the Acquisition Fund, if any, except for any moneys designated in the certificate to be retained to pay any unpaid accrued costs or contingent obligations, to be transferred as follows: (a) to the Rebate Fund so as to enable the District to comply with Section 930 hereof, (b) to the Reserve Fund to such extent as shall not cause the amount in the Reserve Fund to exceed the Reserve Fund Requirement and (c) to the Bond Fund to the extent of any remaining balance of such moneys to be applied against the next principal payment or payments coming due on the Bond. Nothing herein prevents the transfer from the Acquisition Fund or the Cost of Issuance Account to the Bond Fund, at any time prior to the termination of the Acquisition Fund or the Cost of Issuance Account, of any moneys which the District Manager by certificate determines will not be necessary for the Project and will not be designated to be transferred to the Rebate Fund.

Section 504. Lien on Bond Proceeds. Until the proceeds of the Bond are applied as herein provided, such Bond proceeds are subject to a lien thereon and pledge thereof for the benefit of the Owner of the Bond as provided in Section 601 hereof.

Section 505. Purchaser Not Responsible. The validity of the Bond is not dependent upon nor affected by the validity or regularity of any proceedings relating to the application of the Bond proceeds. The Purchaser and any subsequent Owner of the Bond are not responsible for the application or disposal by the District or by any of its officers, agents, and employees of the moneys derived from the sale of the Bond or of any other moneys herein designated.

ARTICLE VI

ADMINISTRATION OF AND ACCOUNTING FOR PLEGGED REVENUES

Section 601. Pledge Securing Bonds. The Net Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this Article or under Section 501 hereof (other than moneys and securities held in the Rebate Fund to the extent such amounts are required to be paid to the Federal Government) are hereby pledged to secure the payment of the Bond Requirements of the Bond, subject only to the right of the District to cause amounts to be withdrawn and paid on account of Operation and Maintenance Expenses of the System and subject to the right of the District to cause amounts to be withdrawn to pay the cost of the Project as provided herein. The pledge of the Net Pledged Revenues to secure the payment of the Bond Requirements of the Bond and the Parity Bonds is subordinate to the pledge of the Net Pledged Revenues for, and lien thereon of, the Senior Obligations heretofore issued. The pledge of the Net Pledged Revenues shall be valid and binding from and after the date of the delivery of the Bond, and the moneys as received by the District and hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery

thereof, any filing, or further act. The lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the District except the Senior Obligations. The lien of the pledge of the Net Pledged Revenues as described in this section shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the District (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Income Fund Deposits. So long as any of the Senior Obligations, the Bond, and any Parity Bonds shall be Outstanding, as to any Bond Requirements related to the Senior Obligations, the Bond, and any Parity Bonds, the entire Gross Revenue, upon their receipt from time to time by the District, shall be set aside and credited immediately to the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Water and Wastewater Enterprise Revenue Refunding and Improvement Bonds, Gross Income Fund.”

Section 603. Administration of Income Fund. So long as any of the Senior Obligations, the Bond, and any Parity Bonds shall be Outstanding, as to any Bond Requirements related to the Bond and any Parity Bonds, the following payments shall be made from the Income Fund, as provided in Sections 604 through 611 hereof.

Section 604. Operation and Maintenance Expenses. First, as a first charge on the Income Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and thereupon they shall be promptly paid. Any surplus remaining in the Income Fund at the end of the Fiscal Year and not needed for Operation and Maintenance Expenses shall be used for other purposes of the Income Fund as herein provided.

Section 605. Bond Fund Payments. Second, from any remaining Net Pledged Revenues, there shall be credited, following payment of amounts required to meet the Bond Requirements of the Senior Obligations, and concurrently with amounts required to meet the Bond Requirements with respect to any Outstanding Parity Bonds, to the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue, Bond Fund,” the following amounts:

A. **Interest Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of the Bond, or commencing on the first day of the month six months prior to the first Payment Date of the Bond, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the interest due and payable on the Bond on the next succeeding Payment Date.

B. **Principal Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of the Bond, or commencing on the first day of the month one year prior to the first Payment Date of the Bond, whichever

commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the principal and redemption premium, if any, due and payable on the Bond on the next succeeding Payment Date.

If prior to any Payment Date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in paragraph A or B (whichever is applicable) of this Section 605 may be appropriately reduced; but the required annual amounts again shall be so credited to such account commencing on such Payment Date.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bond as such Bond Requirements become due, except as provided in Sections 607 and 1301 hereof.

Section 606. Reserve Fund Payments. Upon delivery of the Bond, proceeds of the Bond or cash in the amount of the Reserve Fund Requirement shall be deposited in the special and separate account hereby created and to be known as the “Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue Refunding and Improvement Bonds, Series 2020, Reserve Fund” in satisfaction of the Reserve Fund Requirement.

Thereafter, third, except as provided in Section 607 and 608 hereof, and concurrently with any payments required to be made pursuant to any Parity Bond Resolutions with respect to any reserve funds which may be, but are not required to be, established thereby and concurrently with any repayment or similar obligations payable to any surety provider issuing any reserve fund insurance policy with respect to any Parity Bonds, from any moneys remaining in the Income Fund, there shall be credited to the Reserve Fund monthly, commencing on the first day of the month next succeeding each date on which the moneys accounted for in the Reserve Fund for any reason are less than the Reserve Fund Requirement, such amounts in substantially equal monthly payments on the first day of each month to re-accumulate the Reserve Fund Requirement by not more than 12 such monthly payments. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph, available Net Pledged Revenues shall be credited or paid to the Reserve Fund and to reserve funds which may be established by any Parity Bond Resolutions pro rata, based upon the aggregate principal amount of the Bond and any such Parity Bonds then Outstanding; provided, however, that compliance with the provisions of this sentence shall not cure any Event of Default caused by non-compliance with the first sentence of this paragraph. The Reserve Fund Requirement shall be accumulated and, if necessary, re-accumulated from time to time, in the Reserve Fund from Net Pledged Revenues, except to the extent other moneys are credited to the Reserve Fund, and maintained as a continuing reserve to be used, except as hereinafter provided in Sections 607, 608, 704 and 1301 hereof, only to prevent deficiencies in the payment of the Bond Requirements of the Bond from time to time from the failure to deposit into the Bond Fund sufficient moneys to pay such Bond Requirements as the same accrue and become due. No payment need be made into the Reserve Fund at any time so long as the moneys therein equal not less than the Reserve Fund Requirement.

The District may at any time substitute (a) cash or Investment Securities for a reserve fund insurance policy or (b) a reserve fund insurance policy for cash or Investment Securities, so long as the amount on deposit in the Reserve Fund after such substitution is at least equal to the Reserve Fund Requirement. Notwithstanding the foregoing, no reserve fund insurance policy shall be deposited by the District in the Reserve Fund for such substitution unless the District has received an opinion of Bond Counsel to the effect that such substitution and the intended use by the District of the cash or Investment Securities to be released from the Reserve Fund will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bond.

Section 607. Termination of Deposits. No payment need be made into the Bond Fund or the Reserve Fund if the amount in the Bond Fund and the amount in the Reserve Fund total a sum at least sufficient so that the Bond is deemed to have been paid pursuant to Section 1301 hereof, in which case moneys therein (taking into account the known minimum gain from any investment if such moneys in Investment Securities from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Bond Requirements of the Bond as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the System may be used to make required payments into the Rebate Fund or in any other lawful manner determined by the Board.

Section 608. Defraying Delinquencies. If at any time the District shall for any reason fail to pay into the Bond Fund the full amount above stipulated from the Net Pledged Revenues, then an amount shall be paid into the Bond Fund at such time from the Reserve Fund equal to the difference between that paid from the Net Pledged Revenues and the full amount so stipulated. The District shall use all cash in the Reserve Fund before drawing on any reserve fund insurance policy.

Section 609. Rebate Fund. Fourth, concurrently with any payments required to be made pursuant to any Parity Bond Resolutions with respect to any rebate funds established thereby, there shall be deposited into the special and separate account hereby created and to be known as the "Colorado City Metropolitan District, Pueblo County, Colorado, Water and Wastewater Enterprise Revenue Refunding and Improvement Bonds, Series 2020, Rebate Fund" moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the District to comply with Section 930 hereof. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this Resolution to the extent that such amounts are required to be paid to the United States Treasury. The District shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the District shall transfer moneys in the amount of the insufficiency to the Rebate Fund from the Acquisition Fund or the Cost of Issuance Account and, to the extent permitted by Section 608 hereof, from the Reserve Fund and the Bond Fund. Upon receipt by the District of

an opinion of Bond Counsel to the effect that the amount in the Rebate Fund is in excess of the amount required to be contained therein, such excess may be transferred to the Income Fund.

Section 610. Payment of Subordinate Securities. Fifth, and subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 604, 605, 606, and 609 hereof, any moneys remaining in the Income Fund may be used by the District for the payment of Bond Requirements of Subordinate Securities, including reasonable reserves for such Subordinate Securities and for rebate of amounts to the United States Treasury with respect to such Subordinate Securities.

Section 611. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 602 through 610 hereof are made, any remaining Net Pledged Revenues in the Income Fund shall be used, firstly, for any one or any combination of reasonably necessary purposes and in the Board's discretion relating to the operation, improvement, or debt management of the System and, secondly, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Board may from time to time conclusively determine.

ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special accounts designated in Articles V and VI hereof shall be administered as provided in this Article VII.

Section 702. Places and Times of Deposits. Except as hereinafter provided, each of such special accounts shall be maintained by the District as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor. The moneys accounted for in such special book accounts may be in one or more bank accounts in one or more Commercial Banks. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall not be a Business Day, then such payment shall be made on or before the next preceding Business Day. Moneys shall be deposited with the Paying Agent for the Bond at least three days prior to each Payment Date and each maturity or mandatory Redemption Date herein designated in amounts sufficient to pay the Bond Requirements on the Bond.

Section 703. Investment of Moneys. Any moneys in the Acquisition Fund, the Cost of Issuance Account, the Income Fund, the Bond Fund, the Reserve Fund, and the Rebate Fund and not needed for immediate use shall be invested or reinvested by the District Manager in Investment Securities. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the District Manager at the time of such investment or reinvestment; provided that (1) Investment Securities credited to the Reserve Fund shall not mature later than ten years from the date of such

investment or reinvestment and (2) collateral securities of any Investment Securities may not have a maturity of more than five years from the date of purchase thereof. For the purpose of any such investment or reinvestment, Investment Securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. Accounting for Investments. The Investment Securities so purchased as an investment or reinvestment of moneys in any such account hereunder shall be deemed at all times to be a part of the account. Any interest or other gain from any investments and reinvestments of moneys accounted for in the Acquisition Fund, the Income Fund, the Cost of Issuance Account, the Bond Fund, and the Rebate Fund shall be credited to such account, and any loss resulting from any such investments or reinvestments of moneys accounted for in the Acquisition Fund, the Income Fund, the Cost of Issuance Account, the Bond Fund, the Reserve Fund, and the Rebate Fund shall be charged or debited to such Fund.

Any interest or other gain from any investment or reinvestment of moneys accounted for in the Reserve Fund (a) shall be credited to the Rebate Fund or the Bond Fund, at the discretion of the District Manager, if the amount credited to the Reserve Fund immediately after such credit to the Rebate Fund or the Bond Fund is not less than the Reserve Fund Requirement and (b) if the amount credited to the Reserve Fund is less than the Reserve Fund Requirement, shall be credited to the Reserve Fund (up to the amount of the deficiency).

No loss or profit in any account on any investments or reinvestments in Investment Securities shall be deemed to take place as a result of market fluctuations of the Investment Securities prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Investment Securities shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the District until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 705. Redemption or Sale of Investment Securities. The District Manager shall present for redemption or sale on the prevailing market at the best price obtainable any Investment Securities so purchased as an investment or reinvestment of moneys in the account whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment, or transfer from such account. Neither the District Manager nor any other officer or employee of the District shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Resolution.

Section 706. Character of Funds. The moneys in any account designated in Articles V and VI hereof shall consist either of lawful money of the United States or Investment Securities, or both such money and such Investment Securities. Moneys deposited in a demand or time deposit account in a bank or savings and loan association, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 707. Payment of Bond Requirements. The moneys credited to any fund or account designated in Article VI hereof for the payment of the Bond Requirements of the Bond shall be used without requisition, voucher, warrant, further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements of the Bond payable from such fund or account as such amounts are due, except to the extent any other moneys are available therefor.

ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien on Net Pledged Revenues. The Bond constitutes an irrevocable lien (but not necessarily an exclusive lien) upon the Net Pledged Revenues subordinate to and junior to the lien of the Senior Obligations and on a parity with the lien on the Net Pledged Revenues of the Parity Bonds.

Section 802. Equality of Bonds. The Bond and any Parity Bonds heretofore issued or hereafter authorized to be issued and from time to time Outstanding are equally and ratably secured by a lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Bond and any other such Parity Bonds, it being the intention of the Board that there shall be no priority among the Bond and any such Parity Bonds regardless of the fact that they may be actually issued and delivered at different times, except that (a) moneys in the Acquisition Fund, the Cost of Issuance Account, the Bond Fund, and the Reserve Fund shall secure only the Bond and the moneys in any cost of issuance, acquisition, bond, reserve or similar funds established for other Parity Bonds shall secure only such Parity Bonds; and (b) other Parity Bonds may have a lien on Net Pledged Revenues on a parity with the lien thereon of the Bond even if no reserve fund is established for such Parity Bonds or a reserve fund is established but with a different requirement as to the amount of moneys (or the value of a reserve fund insurance policy with respect to such Parity Bonds) required to be on deposit therein or the manner in which such reserve fund is funded or the period of time over which such reserve fund is funded.

Section 803. Issuance of Parity Bonds. Nothing herein prevents the issuance by the District of additional securities payable from the Net Pledged Revenues and constituting a lien thereon on a parity with, but not prior nor superior to, the lien thereon of the Bond; but before any such additional Parity Bonds, except as provided in Section 808, are authorized or actually issued all of the following conditions must be satisfied:

A. **Absence of Default.** At the time of the adoption of the resolution authorizing the issuance of the additional securities, the District shall not be in default in making any payments required by Article VI hereof or other Parity Bond Resolutions.

B. **Historic Earnings Test.** The Net Pledged Revenues for any 12 consecutive months out of the 18 months preceding the month in which such securities are to be issued are at least equal to the sum of 110% of the Combined Maximum Annual Principal and Interest

Requirements of all Outstanding Senior Obligations, the Bond, and Parity Bonds of the District during such 12 month period payable from the Net Pledged Revenues and such proposed indebtedness to be issued.

C. Adjustment of Net Pledged Revenues. In any computation under paragraph B of this Section, the amount of the Net Pledged Revenues for the applicable period shall be decreased and may be increased by the amount of loss or gain conservatively estimated by an Independent Accountant, Independent Engineer, or the District Manager, as the case may be, which results from any changes in any schedule of fees, rates, and other charges constituting Net Pledged Revenues based on the number of users during the applicable period as if such modified schedule of fees, rates and other charges shall have been in effect during such entire time period. However, the Net Pledged Revenues need not be decreased by the amount of any such estimated loss to the extent the Independent Accountant, the Independent Engineer, or the District Manager estimates the loss is temporary in nature or will be offset within a reasonable temporary period by an increase in revenues or a reduction in Operation and Maintenance Expenses not otherwise included in the calculations under this Section, and estimates any loss under this sentence will not at any time materially and adversely affect the District's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation, or other action under the police power exercised by any governmental body.

D. Reduction of Annual Requirements. The respective annual Bond Requirements (including as such a requirement the amount of any prior redemption premiums due on any Redemption Date) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities and any bank deposits, including any certificate of deposit.

E. Consideration of Additional Expenses. In determining whether or not additional Parity Bonds may be issued as aforesaid, consideration shall be given to any probable increase (but not reduction) in the Operation and Maintenance Expenses of the System as estimated by the District Manager that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional securities; but the District Manager may reduce any such increase in Operation and Maintenance Expenses by the amount of any increase in revenues or any reduction in Operation and Maintenance Expenses resulting from the Capital Improvements to which such expenditure relates and not otherwise included in the calculations under this Section, if the District Manager also opines that any such increase in revenues or reduction in any increase in Operation and Maintenance Expenses will not materially and adversely affect the District's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

Section 804. Certification of Revenues. At least thirty (30) days in advance of issuance of any additional securities on a parity with the Bond, the District shall provide a written certificate or written opinion by the District Manager under paragraph B of Section 803 that such annual revenues, when adjusted as hereinabove provided in paragraphs C, D, and E of

Section 803 hereof, are sufficient to pay such amounts as provided in paragraph B of Section 803 hereof. Such written certificate or opinion shall be provided with the calculations upon which the District bases its opinion.

Section 805. Subordinate Securities Permitted. Nothing herein prevents the District from issuing additional securities payable from the Net Pledged Revenues and having a lien thereon subordinate, inferior, and junior to the lien thereon of the Bond.

Section 806. New Senior Securities Prohibited. With the exception of any additional loans from the CWRPDA, nothing herein permits the District to issue additional securities payable from the Net Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bond.

Section 807. Use of Proceeds. The proceeds of any Parity Bonds or other securities payable from any Net Pledged Revenues shall be used only to finance Capital Improvements or to refund all or any portion of the Bond, Parity Bonds, or other securities payable from Net Pledged Revenues, regardless of the priority or the lien of such securities on Net Pledged Revenues.

Section 808. Issuance of Refunding Securities. The District may issue any refunding securities payable from Net Pledged Revenues to refund any of the Senior Obligations, the Bond, Parity Bonds, or any Subordinate Securities hereafter issued, with such details as the Board may by resolution provide so long as there is no impairment of any contractual obligation imposed upon the District by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues; but so long as the Bond is Outstanding, refunding securities payable from Net Pledged Revenues may be issued on a parity with the Bond only if:

A. **Prior Consent.** The District first receives the consent of the Owner of the Bond; or

B. **Requirements Not Increased.** The Combined Maximum Annual Principal and Interest Requirements for the Bond and Parity Bonds Outstanding immediately after the issuance of the refunding securities is not greater than the Combined Maximum Annual Principal and Interest Requirements for all Senior Obligations, the Bond, and Parity Bonds Outstanding immediately prior to the issuance of the refunding securities and the lien of any refunding Parity Bonds on the Net Pledged Revenues is not raised to a higher priority than the lien thereon of any securities thereby refunded; or

C. **Earnings Test.** The refunding securities are issued in compliance with paragraph B of Section 803 hereof.

ARTICLE IX

PROTECTIVE COVENANTS

Section 901. General. The District hereby covenants and agrees with the Owner of the Bond and makes provisions which shall be a part of its contract with such Owner to the effect and with the purpose set forth in the following Sections of this Article.

Section 902. Performance of Duties. The District, acting by and through the Board or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Revenues and the System required by the Constitution and laws of the State and the various resolutions of the District, including, without limitation, the making and collection of reasonable and sufficient fees, rates, and other charges for services rendered or furnished by or the use of the System, as herein provided, and the proper segregation of the proceeds of the Bond and of any securities hereafter authorized and the Gross Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Contractual Obligations. The District shall perform all material contractual obligations undertaken by it under any agreements relating to the Bond, the Net Pledged Revenues, the Project, or the System, or any combination thereof, with any other Persons, the non-performance of which would materially and negatively impact the Net Pledged Revenues.

Section 904. Further Assurances. At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be reasonably necessary or desirable for the better assuring, conveying, granting, assigning, and confirming all and singular the rights, the Net Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the District may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Resolution and to comply with any instrument of the District amendatory thereof, or supplemental thereto. The District, acting by and through the Board, or otherwise, shall at all times, to the extent permitted by law, defend, preserve, and protect the pledge of the Net Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of the Owner of the Bond hereunder against all claims and demands of all Persons whomsoever.

Section 905. Conditions Precedent. Upon the date of issuance of the Bond, all conditions, acts, and things required by the Federal or State Constitution, the Water Activity Act, the Supplemental Public Securities Act, this Resolution, or any other applicable law to exist, to have happened and to have been performed precedent to or in the issuance of the Bond shall exist, have happened, and have been performed; and the Bond, together with all other obligations of the District, shall not contravene any debt or other limitation prescribed by the State Constitution.

Section 906. Efficient Operation and Maintenance. The District shall at all times operate the System properly and in a sound and economical manner; and the District shall maintain, preserve, and keep the same properly or cause the same so to be maintained, preserved, and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements, and renewals so that at all times the operation of the System may be properly and advantageously conducted. All salaries, fees, wages, and other compensation paid by the District in connection with the maintenance, repair, and operation of the System shall be reasonable and proper.

Section 907. Rules, Regulations and Other Details. The District, acting by and through the Board, shall establish and enforce reasonable rules and regulations governing the operation, use, and services of the System. The District shall observe and perform all of the terms and conditions contained in this Resolution, and shall comply with all valid acts, rules, regulations, orders, and directions of any legislative, executive, administrative, or judicial body applicable to the System or to the District, except for any period during which the same are being contested in good faith by proper legal proceedings.

Section 908. Payment of Governmental Charges. The District shall pay or cause to be paid all taxes and assessments or other governmental charges, if any, lawfully levied or assessed upon or in respect of the System, or upon any part thereof, or upon any portion of the Net Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any governmental authority relative to the System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The District shall not create or suffer to be created any lien upon the System, or any part thereof, or upon the Net Pledged Revenues, except the pledge and lien created by this Resolution for the payment of the Bond Requirements of the Bond and except as herein otherwise permitted. The District shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies, or other objects which, if unpaid, might by law become a lien upon the System, or any part thereof, or the Net Pledged Revenues; but nothing herein requires the District to pay or cause to be discharged or to make provision for any such tax, assessment, lien, or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings, and so long as in the opinion of the Owner, the unpaid tax or assessment will not leave the System vulnerable to forfeiture while the assessment, lien or charge is being contested.

Section 909. Protection of Security. The District, the officers, agents, and employees of the District, and the Board shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bond, the Parity Bonds, and any other securities payable from the Net Pledged Revenues relating thereto according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any Owner of the Bond or other security payable from Net Pledged Revenues relating thereto might be prejudicially and materially impaired or diminished.

Section 910. Prompt Payment of the Bond Requirements. The District shall promptly pay the Bond Requirements of the Bond at the places, on the dates, and in the manner specified herein and in the Bond according to the true intent and meaning hereof.

Section 911. Use of Bond and Reserve Funds. The Bond Fund and the Reserve Fund shall be used solely and only and the moneys credited to such accounts are hereby pledged for the purpose of paying the Bond Requirements of the Bond to its maturity or Redemption Date, subject to the provisions of Sections 606, 607, 608, 704 and 1301 hereof.

Section 912. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the System, or any part thereof, or on or against the Net Pledged Revenues, on a parity with or superior to the lien thereon of the Bond.

Section 913. Corporate Existence. The District shall maintain its corporate identity and existence so long as the Bond remains Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties, and immunities of the District and is obligated by law to operate and maintain the System and to fix and collect the Gross Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of the Owner of the Bond.

Section 914. Disposal of System Prohibited. Except for the use of the System and services pertaining thereto in the normal course of business, or as provided in Section 915 hereof, neither all nor a substantial part of the System shall be sold, leased, mortgaged, pledged, encumbered, alienated, or otherwise disposed of, until the Bond has been paid in full, as to all Bond Requirements, or unless provision has been made therefor, or until the Bond has otherwise been redeemed, including, without limitation, the termination of the pledge as herein authorized; and the District shall not dispose of its title to the System or to any useful part thereof, including any property necessary to the operation and use of the System and the lands and interests in lands comprising the sites of the System, except as provided in Section 915 below.

Section 915. Disposal of Unnecessary Property. The District at any time and from time to time may sell, exchange, lease, or otherwise dispose of any property constituting a part of the System and not useful in the construction, reconstruction or operation thereof, or which shall cease to be necessary for the efficient operation of the System, or which shall have been replaced by other property of at least equal value or performing the same purpose. Any proceeds of any such sale, exchange, lease, or other disposition received and not used to replace such property so sold or so exchanged or otherwise so disposed of, shall be deposited by the District in the Income Fund or into a special book account for the betterment, enlargement, extension, other improvement, and equipment of the System, or any combination thereof, as the Board may determine, provided that any proceeds of any such lease received shall be deposited by the District as Net Pledged Revenues in the Income Fund.

Section 916. Competing System. So long as the Bond is Outstanding, the District shall not grant any franchise or license in the System to any competing facilities so that the Net Pledged Revenues shall not be sufficient to satisfy the covenant in Section 921 hereof.

Section 917. Loss From Condemnation. If any part of the System is taken by the exercise of the power of eminent domain, the amount of any award received by the District as a result of such taking shall be paid into the Income Fund or into a capital improvement account pertaining to the System and the District shall, as the District may determine, and as expeditiously as may be possible, commence and diligently proceed with any repair or replacement of the taken property necessary to return the System to a level of functionality comparable to that prior to the taking. Any condemnation proceeds not used for repair and replacement of taken property shall be applied to the redemption of the Bond and any Outstanding Parity Bonds relating thereto.

Section 918. Retention of Management Engineers. If the District defaults in paying the Bond Requirements of the Bond, the Parity Bonds, and any other securities relating thereto payable from the Net Pledged Revenues promptly as the same fall due, or an Event of Default has occurred and is continuing, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Bond, Parity Bonds, and any other securities relating thereto payable from the Net Pledged Revenues (including all reserves therefor specified in the authorizing proceedings, including, without limitation, this Resolution) relating thereto payable from the Net Pledged Revenues in that Fiscal Year, the District shall retain a firm of competent management engineers skilled in the operation of such facilities to assist the management of the System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 919. Budgets. The Board and officials of the District shall annually and at such other times as may be provided by law prepare and adopt a budget pertaining to the System.

Section 920. Reasonable and Adequate Charges. While the Bond remains Outstanding and unpaid, the fees, rates, and other charges due to the District for the use of or otherwise pertaining to and services rendered by the System to the District, to its inhabitants and to all other users within and without the boundaries of the District shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Bond Requirements of all of the Bond, the Parity Bonds, and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor.

Section 921. Adequacy and Applicability of Charges. There shall be charged against users of services pertaining to and users of the System, including the District, except as provided by Section 922 hereof, such fees, rates and other charges so that the Net Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the System shall be at least sufficient so that the Net Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. **Operation and Maintenance Expenses.** An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year,

B. **Principal and Interest.** An amount equal to 110% of both the principal and interest on the Senior Obligations, the Bond, and any Parity Bonds then Outstanding payable from the Net Pledged Revenues in that Fiscal Year (excluding the reserves therefor), and

C. **Deficiencies.** Any amounts required to pay all sums, if any, due and owing to meet then existing deficiencies pertaining to any fund or account relating to the Net Pledged Revenues or any securities payable therefrom.

Section 922. Limitations Upon Free Service. No free service or facilities shall be furnished by the System, except as hereinafter provided. If the District elects to use for its own purposes any water facilities, wastewater facilities, or other services and facilities provided by the System or otherwise to use the System or any part thereof, any such use may be paid for from the District's general fund or from other available revenues other than Net Pledged Revenues at the reasonable value of the use so made; provided that the District need not pay for any such use by the District of any facilities of the water system for wastewater services or the wastewater system for water services, and such water and wastewater services may be provided to the golf course and recreation facilities at such reduced cost as determined by the Board. All the income so derived from the District shall be deemed to be income derived from the operation of the System, to be used and to be accounted for in the same manner as any other income derived from the operation of the System.

Section 923. Levy of Charges. The District shall forthwith and in any event prior to the delivery of any of the Bond, fix, establish, and levy the fees, rates, and other charges which are required by Section 921 of this Resolution, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the System may be made:

A. **Proper Application.** Unless the District has fully complied with the provisions of Article VI of this Resolution for at least the full Fiscal Year immediately preceding such reduction of the initial or any other existing rate schedule; and

B. **Sufficient Revenues.** Unless the audit required by the Independent Accountant by Section 927 hereof for the full Fiscal Year immediately preceding such reduction discloses that the estimated revenues resulting from the proposed rate schedule for the System, after the schedule's proposed reduction, shall be at least sufficient to produce the amounts required by Section 921 hereof.

Section 924. Collection of Charges. The District shall cause all fees, rates, and other charges pertaining to the System to be collected as soon as is reasonable, shall reasonably prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the System, and shall provide methods of collection and penalties, to the end that the Net Pledged Revenues shall be adequate to meet the requirements of this Resolution and any other resolution supplemental thereto.

Section 925. Procedure for Collecting Charges. All bills for water services and all other services or facilities furnished or served by or through the System shall be rendered

to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 926. Maintenance of Records. So long as any of the Bond and any Parity Bonds payable from the Net Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the District, separate and apart from all other records and accounts.

Section 927. Audits Required. The District, within 180 days following the close of each Fiscal Year, shall order an audit for the Fiscal Year of such books and accounts to be made forthwith by an Independent Accountant, and order an audit report showing the receipts and disbursements for each account pertaining to the System and the Gross Revenues. The results of each annual audit shall be provided to the Owner.

Section 928. Accounting Principles. System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the System, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this Resolution.

Section 929. Insurance and Reconstruction. Except to the extent of any self-insurance, the District shall at all times maintain with responsible insurers fire and extended coverage insurance, worker's compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or damage to the System and against public and other liability to the extent reasonably necessary to protect the interests of the District and the Owner of the Bond. If any useful part of the System shall be damaged or destroyed, the District shall, as expeditiously as may be possible, commence and diligently proceed with the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance from damaged or destroyed property shall be payable to the District and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Income Fund by the District as revenues derived from the operation of the System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Income Fund shall be used to the extent necessary for such purposes, as permitted by Article VI hereof.

Section 930. Federal Income Tax Exemption.

A. The District covenants for the benefit of the Owner of the Bond that it will not take any action or omit to take any action with respect to the Bond, the proceeds thereof, any other funds of the District or any facilities financed with the proceeds of the Bond if such action or omission (i) would cause the interest on the Bond to lose its exclusion from gross income for

federal income tax purposes under Section 103 of the Code, (ii) would cause interest on the Bond to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code or (iii) would cause interest on the Bond to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law. In furtherance of this covenant, the District agrees to comply with the procedures set forth in the Tax Compliance Certificate with respect to the Bond. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bond until the date on which all obligations of the District in fulfilling the above covenant under the Code and Colorado law have been met.

B. The District hereby determines that neither the District nor any entity subordinate thereto reasonably anticipates issuing more than \$10,000,000 face amount of tax-exempt governmental bonds or any other similar obligations during the calendar year in which the Bond is issued, which obligations are taken into account in determining if the District can designate the Bond as a qualified tax-exempt obligation as provided in the following sentence. For the purpose of Section 265(b)(3)(B) of the Code, the District hereby designates the Bond as a qualified tax-exempt obligation.

ARTICLE X

PRIVILEGES, RIGHTS AND REMEDIES

Section 1001. Owner's Remedies. The Owner of the Bond shall be entitled to all of the privileges, rights, and remedies provided or permitted in this Resolution, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Net Pledged Revenues and the proceeds of the Bond.

Section 1002. Right to Enforce Payment. Nothing in this Article affects or impairs the right of the Owner of the Bond to enforce the payment of the Bond Requirements due in connection with his or her Bond or the obligation of the District to pay the Bond Requirements at the time and the place expressed in the Bond, or to enforce all provisions related to collection of Gross Revenues including Sections 923 and 924.

Section 1003. Events of Default. Each of the following events is hereby declared an "Event of Default:"

A. Nonpayment of Principal. Payment of the principal of the Bond is not made when the same becomes due and payable;

B. Nonpayment of Interest. Payment of any installment of interest on the Bond is not made when the same becomes due and payable;

C. Cross Defaults. The occurrence and continuance of an "event of default," as defined in any Parity Bond Resolution;

D. Failure to Reconstruct. The District unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the District appointing a receiver or receivers for the System or for the Net Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bond, or if an order or decree having been entered without the consent or acquiescence of the District is not vacated or discharged or stayed on appeal within 60 days after entry;

F. Default of Any Provision. The District defaults in the due and punctual performance of curing the items described in C, D, or E above or any other of the representations, covenants, conditions, agreements, and other provisions contained in the Bond or in this Resolution on its part to be performed (other than Section 931 hereof), and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the District specifying the failure and requiring that it be remedied, which notice may be given by the Paying Agent in its discretion and shall be given by the Paying Agent at the written request of the Owner of the Bond.

Section 1004. Remedies for Defaults. Upon the happening and continuance of any Event of Default, the Owner of the Bond, including, without limitation, a trustee or trustees therefor, may proceed against the District and its agents, officers and employees, in their official capacities, to protect and to enforce the rights of the Owner of the Bond under this Resolution (including any action to compel any act of the District required under this Resolution and any action to enjoin any act forbidden under this Resolution) by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as the Owner may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of the Owner of the Bond, or to require the District to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the benefit of the Owner of the Bond. Notwithstanding anything herein to the contrary, acceleration of the Bond shall not be an available remedy for an Event of Default.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of the Owner of the Bond, the consent to any such appointment being hereby expressly granted by the District, may enter and may take possession of the System, may operate and maintain the same, may prescribe fees, rates, and other charges, and may collect, receive, and apply all Net Pledged Revenues arising after the appointment of such receiver and pay all Bond Requirements in the same manner as the District itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of the Owner of the Bond to proceed in any manner herein provided shall not relieve the District, or any of its officers, agents, or employees of any liability for failure to perform or carry out any duty, obligation, or other commitment. Each right or privilege of the Owner of the Bond (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of the Owner of the Bond shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties upon Defaults. Upon the happening of any Event of Default, the District shall do and perform all proper acts on behalf of and for the Owner of the Bond to protect and to preserve the security created for the payment of the Bond and to insure the payment of the Bond Requirements promptly as the same become due. While any Event of Default exists, except to the extent it may be unlawful to do so, all Net Pledged Revenues shall be paid into the Bond Fund and into bond or similar funds established for any Parity Bonds then Outstanding, pro rata based upon the aggregate principal amount of the Bond and Parity Bonds then Outstanding, up to the amounts required pursuant to Section 605. If the District fails or refuses to proceed as in this Section provided, the Owner of the Bond, after demand in writing, may proceed to protect and to enforce the rights of the Owner of the Bond as hereinabove provided, and to that end the Owner of the Bond shall be subrogated to all rights of the District under any agreement, lease, or other contract involving the System or the Net Pledged Revenues entered into prior to the effective date of this Resolution or thereafter while the Bond is Outstanding.

ARTICLE XI

AMENDMENT OF RESOLUTION

Section 1101. Permitted Amendments to Bond Resolution. The District may, without the consent of or notice to the Owner of the Bond, adopt amendments or supplements to this Resolution, which amendments or supplements shall thereafter form a part hereof, for any one or more of the following purposes:

A. to cure any ambiguity, to cure, correct, or supplement any formal defect or omission or inconsistent provision contained in this Resolution, to make any provision necessary or desirable due to a change in law, to make any provisions with respect to matters arising under this Resolution, or to make any provisions for any other purpose, if such provisions are necessary or desirable and do not materially adversely affect the interest of the Owner of the Bond;

B. to subject to this Resolution or pledge to the payment of the Bond additional revenues, properties, or collateral; and

C. to grant or confer upon the Owner any additional rights, remedies, powers, or authority that may be lawfully granted to or conferred upon the Owner.

Section 1102. Amendments Requiring Consent of Owner. Except for amendatory or supplemental resolutions adopted pursuant to the Section hereof entitled "Permitted Amendments to Bond Resolution," the Owner of the Bond shall have the right, from

time to time, to consent to and approve the adoption by the District of such resolutions amendatory or supplemental hereto as shall be deemed necessary or desirable by the District for the purpose of modifying, altering, amending, adding to, or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided however, that without the consent of the Owner of the Bond, nothing herein contained shall permit, or be construed as permitting:

A. a change in the terms of the maturity of the Bond, in the principal amount of the Bond or the rate of interest thereon, or in the terms of prior redemption of the Bond;

B. an impairment of the right of the Owner to institute suit for the enforcement of any payment of the principal of or interest on the Bond when due;

C. a privilege or priority of the Bond or any interest payment over any other bond or interest payment; or

D. a reduction in the percentage in principal amount of the Bond, the consent of whose Owner is required for any such amendatory or supplemental resolution.

If at any time the District shall desire to adopt an amendatory or supplemental resolution for any of the purposes of this Section, the District shall cause notice of the proposed adoption of such amendatory or supplemental resolution to be given by mailing such notice by certified or registered first-class mail or via electronic means to the Owner of the Bond at the address shown on the registration books of the Bond Registrar, at least 30 days prior to the proposed date of adoption of any such amendatory or supplemental resolution. Such notice shall briefly set forth the nature of the proposed amendatory or supplemental resolution and shall state that copies thereof are on file at the offices of the District or some other suitable location for inspection by the Owner.

Section 1103. Effect of Amendment. Upon the execution of any amendatory or supplemental resolution pursuant to this Resolution, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations under this Resolution of the District, the Bond Registrar, the Paying Agent, and the Owner of the Bond shall thereafter be determined, exercised, and enforced hereunder, subject in all respects to such modifications and amendments.

Payment of the Bond shall, prior to maturity or its Redemption Date, be deemed to have been provided for within the meaning and with the effect expressed in this Section if (a) in case the Bond is to be redeemed on any date prior to its maturity, the District shall have given to the Paying Agent in form satisfactory to it irrevocable instructions to give on a date in accordance with the provisions of Section 402 hereof, notice of redemption of the Bond on said Redemption Date, such notice to be given in accordance with the provisions of Section 402 hereof, (b) there shall have been deposited with the Paying Agent or a Trust Bank either moneys in an amount which shall be sufficient, and/or Federal Securities which shall not contain provisions permitting the redemption thereof at the option of the issuer, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which, together with the moneys, if any, deposited with or held by the Paying Agent or Trust Bank at the same time, shall be sufficient to pay when due the Bond Requirements due and to become due on said Bond on and prior to the Redemption Date or maturity date thereof, as the case may be, and (c) in the event said Bond is not by its terms subject to redemption within the next sixty days, the District shall have given the Paying Agent in form satisfactory to it irrevocable instructions to give, as soon as practicable in the same manner as the notice of redemption is given pursuant to Section 402 hereof, a notice to the Owner of the Bond that the deposit required by (b) above has been made with the Paying Agent or Trust Bank and that payment of said Bond has been provided for in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the Bond Requirements of said Bond. Neither such securities nor moneys deposited with the Paying Agent or Trust Bank pursuant to this Section or principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Bond Requirements of said Bond, and the Paying Agent shall not permit the District to withdraw such securities or moneys for any purpose other than payment of the Bond Requirements; in the event that any securities or moneys deposited with the Paying Agent under this Section are withdrawn for any purpose other than payment of the Bond Requirements, all rights of the Owner under this Resolution shall immediately be reinstated; provided any cash received from such principal or interest payments on such Federal Securities deposited with the Paying Agent or other Trust Bank, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities of the type described in (b) of this paragraph maturing at times and in amounts sufficient to pay when due the Bond Requirements to become due on said Bond on or prior to such Redemption Date or maturity date thereof, as the case may be. Upon compliance with the foregoing provisions of this Section, this Resolution may be discharged in accordance with the provisions of this Section but the liability of the District in respect of the Bond shall continue; provided that the Owner of the Bond shall thereafter be entitled to payment only out of the moneys or Federal Securities deposited with the Paying Agent or other Trust Bank as provided in this Section.

B. **Proof of Holdings.** The Bond held by any Person and the numbers, date, and other identification thereof, together with the date of his or her holding the Bond, shall be proved by the registration records maintained by the Paying Agent.

Section 1304. Parties Interested Herein. In like manner the District promises to pay interest on such principal amount (computed on the basis of a 360-day year of twelve 30-day months) at the interest rate per annum specified above, payable annually on February 19 of each year, commencing on February 19, 2021, until the principal amount is paid at maturity or upon prior redemption. To the extent not paid when due, such interest shall continue to bear interest, at the rate borne by this Bond; provided however, that notwithstanding anything herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law in repayment of this Bond, including all payments of principal and interest, and the Bond will be deemed defeased and no longer outstanding upon the payment by the District of such amount. RECORD OF PROCEEDINGS
BOARD OF DIRECTORS STUDY SESSION

A study session of the Board of Directors of the Colorado City Metropolitan District was held Tuesday, January 14, 2020, at 6:00 p.m.

1. QUORUM CHECK.

Chairperson Terry Kraus
Secretary Greg Collins
Treasurer Harry Hochstetler
Director Bob Cook
Director Neil Elliot

Also in attendance:

Jim Eccher, District Manager
Yvonne Barron, Finance Director
Donny Scheid, Public Works
Josh Briggs, Parks and Recreation
Gary Golladay, Water and Sewer
Marc Anzlovar, Hollydot Golf Course
Phillip Spicer, Hollydot Golf Course

2. AGENDA ITEMS:

a. Water meters information and update to next step for MWTP

Mr. Eccher would like a PO for \$290,000 to update all meters. This would secure the meters at the price agreed upon. \$160,000 would be used for Phase 1. Mr. Collins asked if meters on the main line would help to identify problem areas. Mr. Scheid explained the water lines are on a loop system, so any line can be supplied from two different main lines. Also, it would require approximately 40 meters at a cost of \$4000 to \$8000 each. Mr. Collins also inquired about having a leak survey done. Mr. Scheid said this would cost approximately \$250,000. Mr. Eccher said if the new meters are installed, it shows an investment in the system and make getting grants easier. Mr. Scheid said the new meters will increase income and make getting a leak survey more affordable. As for the main water plant, Josh Cook from NOCO Engineering is getting everything done with the state. Mr. Eccher said the possibility of putting the backwash water back into the lake is possible in time. For now, it will be put into the pond. After many tests and time, the state can allow it to be put into the lake.

b. Land Sales off for Unit 29 Lots 385 and 388

Mr. Eccher said there is an offer for \$1700 for both lots from Chris and Kathy Lesser. Mr. Cook felt the lots are worth more than that. Mr. Lesser told the board he had figured the price per square foot of lots sold in 2019 and based his price on that amount.

c. Resolution 1-2020 Setting of Posting Places in County/District

Mr. Eccher said this is a housekeeping measure done every year. The agendas will be posted at the Administration Office, the metro website, and at the Pueblo County Courthouse.

d. Resolution 2-2020 Setting of Meeting Dates and Compensation

Mr. Eccher includes an appendix with the meeting dates. The compensation will remain at \$50 per meeting.

e. Resolution 3-2020 Setting 2020 Election

Mr. Eccher said this resolution is for the board election to be held in May for three board positions. Self-nominating forms will be available at the front desk and need to be turned in by February 28th.

f. Resolution 4-2020 Appointing DEO

Mr. Collins thinks having the District Manager act as DEO could be a conflict of interest. He would like to look for a volunteer from outside the district, or swap DEO with Rye Fire. Mr. Cook does not want to swap with Rye Fire.

g. Architectural Advisory Committee – Bob Smith

Mr. Eccher presented a letter from Mr. Bob Smith volunteering to be on the CCAAC. Mr. Eccher explained Mr. Smith could not attend because of a family emergency in Arizona.

h. Porter Property Issue

Mr. Eccher explained the issue with the property. Mr. Porter's driveway is encroaching on greenbelt. He is trying to sell his property and move to lower elevation due to health reasons. Mr. Cook suggested the board allow him to get an easement in the greenbelt to include his driveway. Mr. Porter will incur all costs associated with the easement.

i. Refinance

Mr. Eccher said a Vice Chairman and Assistant Secretary need to be established to sign papers on the refinance in case the Chairman is not available.

3. ADJOURNMENT. There being no further business before the Board, Mr. Kraus adjourned the meeting, at 7:15 pm.
